The Presidential Decree, dated August 6, 2014 “Concerning the application of special economic measures aimed at ensuring security of the Russian Federation” is a counter-measure that deals with putting a ban on importing agricultural and food products from countries which have enacted sanctions on the Russian Federation.

The Webinar will focus on the Russian Agri-Food Embargo and should be attended by Export Managers, Food&Beverage Specialists and Business Development decision makers, as well as all entrepreneurs considering Russian market entry.
