bishkek@schneider-group.com

Kyrgyzstan is a sovereign, unitary, democratic republic built on the principles of the rule of law and a secular state located in the northeastern Central Asia. It borders Kazakhstan to the north, China to the east and southeast, Tajikistan to the southwest and Uzbekistan to the west.

The total population is 6,389,500 people. The abundance of natural resources and mild weather, without extremes, make Kyrgyzstan one of the most favorable countries for investment.
